Reasonable and Timely Appointment Access Policy

All patients seeking services at Douglas C. Walker, D.O., P.C. are offered timely access to appointments with the providers. Patients who are uninsured are given the same priority for appointments to see our physicians as those with active insurance coverage.

Billing and Coding Policy

Our providers work with our coding department to complete accurate and timely coding and billing for all claims submitted to insurance carriers.

Our coders participate in ICD10 and documentation training year-round. Our coders need to complete CEU training they need to keep their coding certificates current on a yearly basis.
